

# Dusty Sample Awarded For Volunteerism

**\$500 Allstate grant presented to AJPD**

Allstate Agent Dusty Sample received the Agency Hands in the Community award for her commitment to helping others in her area.

With this award comes a \$500 grant from The Allstate Foundation for Apache Junction Police Department where Sample volunteers.

"Allstate is proud to help Apache Junction Police Department with its cause," said Denis Bailey, field vice president for Allstate's Southwest region.

"The grant from The Allstate Foundation will provide much-needed assistance for its efforts. We believe in supporting programs to strengthen the communities where we live and work."

Through the Agency Hands in the Community grant program, Allstate agents and personal financial representatives are recognized for outstanding commitment to community service with a \$500 donation to the charitable organization where they volunteer. To qualify for the grant, agents and personal financial representatives must show evidence of volunteer work that has had a positive impact

the communities where they live and do business through volunteerism and charitable contributions. The Allstate Foundation gave \$78,000 throughout the region in 2008 through the Agency Hands in the Community grant program.

Sample's agency is located at 950 W. Apache Trail, Suite 2, in Apache Junction. Her office number is (480) 983-0408.
